ABSORPTION. CLEVER. INTEGRATED.

Presentation is the key to sales! The purchasing decision is heavily influenced by the appealing presentation of your products. McAirLaid's has an easy way to highlight your products. The pads ensure high-quality absorption and also excellent product protection.

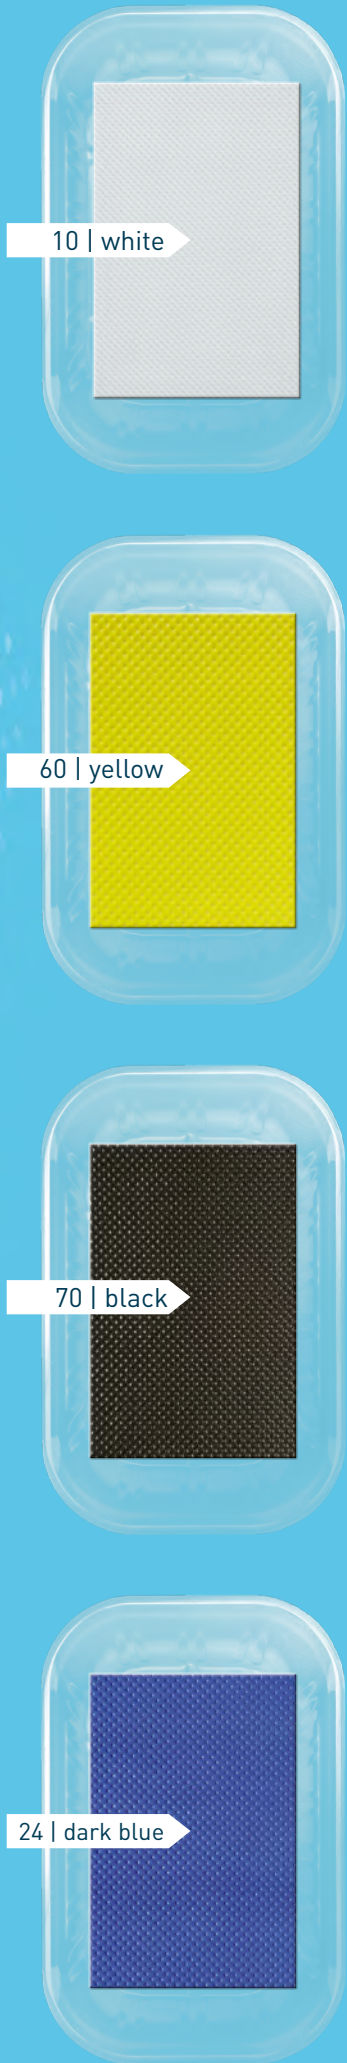

**McAirLaid's**  
makes it possible  
to present your  
products in an  
appetising and  
hygienic manner.

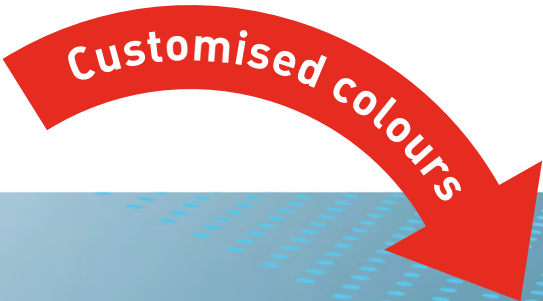

**Various shapes, sizes and colours**

McAirLaid's is able to customise all pads in order to fit in each packaging size. The fascination of colours are known! Therefore, coloured pads attract attention by matching the colour of the packaging or the products itself.

**Please contact us for special requests!**

**McAirLaid's Pads: colour-licious!**

Black, yellow or pink? McAirLaid's absorbent pads in fantastic colours and shapes ensure the crisp presentation of your products – appealing to demanding buyers.

April 2020

**SuperCore: clean,  
barrier-free absorption power**

Our SuperCore non woven material consists of pure Cellulose with excellent absorbent properties. The manufacturing technology delivers products with absolutely no adhesives or binders resulting in impressive absorption and enhanced liquid distribution compared to traditional pads.
